

# ORDINANCE # 465

## An Ordinance Amending Ordinance Number 455, “An Ordinance Amending the Water User Charges of the City of Cumberland” as adopted on June 14, 2016, as previously Amended

**Whereas**, it is the intent of the Cumberland City Council to provide for adequate revenues for maintenance, operation and debt service of the municipal water system(s), and;

**Whereas**, present and future water projects depend on the proper administration of the water system as well as the health and welfare of the users.

**NOW, THEREFORE, BE IT ORDAINED** by the City Council of Cumberland, Kentucky as follows:

**Section One:** The water monthly service charge as set fort in amending ordinance number 3 54 is hereby amended as follows:

| <b>Inside City, Residential</b> |                  | <b>Amendment</b> |
|---------------------------------|------------------|------------------|
| First 2,000 gallons             | <del>19.25</del> | <u>\$20.25</u>   |
| Outside City, Residential       |                  | Amendment        |
| First 2,000 gallons             | <del>24.25</del> | <u>\$26.25</u>   |
| Inside City, Commercial         |                  | Amendment        |
| First 2,000 gallons             | <del>19.25</del> | <u>\$20.25</u>   |

The service charge shall remain in effect.

**Section Two:** This amending ordinance shall become effective at the next billing (May) following adoption and publication as required by law.

Adopted this the \_\_ day of \_\_ 2019.
